BioClean™ Beard Snood BBS

Lightweight, non-sterile Beard Snood with comfortable head loop

- **Increased convenience:** Made from lightweight and soft non-woven material that is hypoallergenic and breathable, the BioClean™ Beard Snood BBS offers a comfortable head loop that can easily be put on and removed without any hassle or discomfort
- **Reduced risks:** In addition to a double stitched opening, this protective outer garment has a latex-free elastic head loop that eliminates the risk of allergic reactions
- **Elevated comfort:** In addition, the BioClean™ Beard Snood BBS comes in universal size and is compatible with a variety of controlled environments

Key Features and Benefits

- **Comfortable head loop:** Easy donning and doffing
- **Latex-free elastic opening:** Reduced risk of allergic reactions
- **Universal size:** Improved practicality

Industries

- Controlled and Critical Environments
- Production and Manufacturing
- Laboratory and Research
