EDGE®
INDUSTRIAL WORK GLOVES

48-920

Light duty multi-purpose industrial glove

Multi Purpose | Oil | LD Light Duty

Abrasion and oil-resistant gloves, ensuring excellent grip for lightweight applications

- **Enhanced durability:** Thanks to their NBR coating, EDGE™ 48-920 safety gloves offer excellent oil and abrasion resistance and high grip performance in oily conditions
- **Proven protection:** As these high-quality yet economical work gloves comply with EN 420 and EN 388 standards, they minimize mechanical risks and afford better wrist and hand safety
- **Enhanced features:** With their seamless liner, an NBR-coated palm and an elastic knitwrist, EDGE™ 48-920 protective gloves are ideal for workers handling small and medium-sized components lightly coated with oils or lubricants
- **Food handling compliance:** These hand protection gloves are ideal for food handling and food packaging as they are composed of FDA-compliant materials
