- Telecom

ACTIVARMR™ 96004

Key Features

- **Improved tactility and dexterity:** Pinched fingertip design ensures a precise fit with the updated form of ULW Electrical Low Voltage Gloves
- **Reinforced protection:** Made from premium goatskin leather, composed of fire-resistant materials that enhance hand safety when conducting electrical work with (or close to) energized components
- **All round compliance:** Meet ASTM F696 Leather Protector standard with an EN388 level 2X21X offering abrasion, puncture and tear resistance
- **Improved Comfort:** Plastic buckle for a snug fit and inside stitching for an invisible stitch

Performance Standards & Regulatory Compliance

EN388: 2016

2X21X
