ACTIVARMR™

80-100

Designed for use in a wide range of handling and carrying applications

Previously known as: Powerflex®80-100

Multi Purpose | Heavy Duty

Durable multi-purpose gloves, combining mechanical performance with excellent grip

- **Strengthened grip:** ActivArmr™ 80-100 work gloves possess a crinkle finish, for excellent wet and dry grip, ensuring they are a safe, productivity-enhancing choice for construction, transport, shipping and warehousing applications
- **Improved durability:** Robustness and durability are assured by these industrial gloves' sturdy natural rubber latex coating
- **Increased comfort:** Featuring an automatic knit liner that delivers an optimally tensioned inner surface, ActivArmr™ 80-100 multi-purpose gloves ensure a comfortable fit and heightened dexterity
- **Genuine versatility:** They make good work gloves as they are designed for a wide range of handling and carrying applications

Industries

- Automotive
- Machinery and Equipment

Applications

- Seizing rough blocs and cylinders
- Seizing and finishing structural parts
- Loading and unloading rough parts or boxes
- Picking parts and accessories
- Final assembly
- Loading raw material
- Unloading worked parts

80-100

Designed for use in a wide range of handling and carrying applications

Previously known as: Powerflex®80-100

Key Features

- **Crinkle finish coating:** Excellent grip gloves in both dry and wet conditions
- **Tough natural rubber latex design:** For abrasion-resistant gloves
- **Knitted liner and tensioned inner surface:** Superb fit and flexibility

Performance Standards & Regulatory Compliance
