EDGE™

48-125

Economical solution for light applications

Multi Purpose | LD Light Duty

Durable gloves with grip offering high tactility in dry to slightly oily conditions

- **Augmented durability:** Featuring a polyurethane-coated palm, EDGE™ 48-125 protective gloves offer EN level 4 abrasion protection as well as good grip and tear resistance
- **Maximized comfort:** These light-duty hand protection gloves' seamless knitted liner is combined with elasticized knitwrist dipped into black, white or grey polyurethane coating, which provide good flexibility and dexterity compared to cotton canvas and thick cotton gloves
- **Genuine versatility:** Made from 15-gauge polyester liner, which is highly comfortable and dexterous, EDGE™ 48-125 safety work gloves are economical and come in black, white and grey

Industries

- Automotive
- Electronics
- Energy
- Transportation
- Recycling and Waste Disposal

Applications

- Assembly of small pieces
- General handling
- Packaging
- Quality inspection

EDGE™
