HyFlex™

11-931

Palm-coated, oil-repellant cut protection gloves

Oil | Low Chemical Protection | Pesticide Protection | Cut | Ergonomic Protection | LD Light Duty

Palm-coated, oil-repellent gloves with reliable cut protection for oily handling tasks

- **Oil repellence:** RIPEL™ palm coating helps prevent oil contact with the skin during handling of coated or lubricated components
- **Secure grip:** ANSELL GRIP™ Technology improves control and stability when working with oily parts
- **Cut protection:** Provides reliable cut protection for routine industrial handling tasks
- **Touchscreen compatibility:** Allows interaction with devices without removing gloves, supporting uninterrupted workflow
- **Optimized ergonomics:** ZONZ™ Comfort Fit knitting and stitch design helps reduce hand fatigue while maintaining flexibility

Industries

- Machinery and Equipment
- Automotive
- Infrastructure Maintenance
