R-179

Medium-duty impact gloves featuring a cut-resistant dual-layer synthetic leather palm

Impact | Abrasion Protection | Cut | Medium Duty

Medium-duty impact gloves featuring a cut-resistant dual-layer synthetic leather palm

- **Certified protection:** RINGERS™ R179 impact gloves, developed with F3 Technology™, feature TPR (thermoplastic rubber) protection for the knuckles, thumb, and full length of the fingers, providing ANSI/ISEA 138-2019 Level 2 for impact protection
- **Strengthened grip:** These RINGERS™ gloves' durable synthetic leather palm enhances grip performance, for more assured hand protection
- **Enhanced defenses:** RINGERS™ R179 safety gloves include an extra palm layer, offering advanced ANSI/ISEA 138-2019 Level 2 for impact protection
- **Enhanced features:** They are made with high-visibility material, for improved workplace safety, and boast a slip-on cuff for a more secure fit and better everyday usability

Industries

- Energy
- Construction
- Automotive
- Metal fabrication

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Environmental clean-up and remediation
- Handling iron
- Valve - line maintenance and repair
- Heavy machine operation
- Equipment maintenance and repair
- Pipe handling
- Handling materials with sharp or rough edges
- Loading raw material
- Metalwork, glass processing
- Delivery of parts to production line
- Delivery of finished equipment
- Production line support & maintenance

R-179

Medium-duty impact gloves featuring a cut-resistant dual-layer synthetic leather palm

Key Features

- **Patented TPR design:** Knuckles, thumb and finger-length impact protection
- **Dual-layer synthetic leather palm:** Enhanced grip and cut resistance
- **Slip-on elastic cuff design:** Easy to don and remove
