Hynit®

32-105

Oil-repellent glove protecting from oil, grease and dirt

Oil | LD Light Duty

Lightweight protective gloves affording durability, flexibility and comfort

- **Improved durability and flexibility:** Hynit™ 32-105 industrial gloves feature a special nitrile formulation that combines excellent abrasion resistance with superb flexibility
- **Increased protection:** These hand protection gloves' liquid-repellent impregnation repels oil, grease and dirt
- **Elevated comfort:** As these durable work gloves are made from cotton, they ensure breathability and comfort

Industries

- Automotive
- Machinery and Equipment
- Metal fabrication
- Mining

Applications

- Assembly & inspection of components
- Delivery of parts to production line
- Seizing structural parts
- Loading and unloading rough parts or boxes
- Final assembly
- Handling application & cleaning tools
- Shipping and loading of product
