HyFlex®

ADVANCED MECHANICAL PROTECTION

11-251

The most comfortable sleeve with Intercept technology

Cut | Medium Duty

Black protective sleeves with practical thumb slot, combining cut protection with peerless comfort

- **Heightened defenses:** HyFlex® 11-251 protective sleeves' INTERCEPT™ Cut Resistance Technology ensures ANSI A3/EN ISO B cut protection
- **Elevated comfort:** A seamless HPPE yarn grants wearers a cool, breathable feel, while a thumb slot and bicep cuff hold them firmly in place
- **Reduced contaminant risks:** They are silicone-free, averting the risk of contaminant transfer to metal before painting
- **Added practicality:** The HyFlex® 11-251's over-edges may be red, black or light blue, for narrow, wide or extra-wide
- **Food handling compliance:** HyFlex® 11-251 sleeves adhere to FDA food handling regulations 21 CFR 177.1520 and 21 CFR 177.2600
- **Certified harm-free:** They possess Oeko-Tex® certification, certifying them free of substances harmful to human health

Industries

- Automotive
- Automotive Aftermarket
- Machinery and Equipment
- Metal fabrication

Applications

- Press shop operations
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Handling structural and body components
- Inspection, selecting, checking parts
- Glass repair and replacement
- Seizing structural and body parts
- Body Surface checking, marking and touching up
- Adjusting systems and screwing
- Adjusting panels parts components
