HyFlex™

11-281

The most comfortable sleeve with INTERCEPT™ Technology

Cut | Medium Duty

Protective arm sleeves with thumb slot, combining cut protection with unmatched comfort

- **Heightened defenses:** INTERCEPT™ Cut Resistance Technology's mix of natural and synthetic fibers ensures ANSI/ISEA 105-2024 CUT A4 and EN ISO D protection, the perfect pairing for cut-resistant HyFlex™ gloves
- **Elevated comfort:** HyFlex™ 11-281 protective sleeves' HPPE yarn offers wearers cool, breathable all-day comfort, with a thumb slot to keep them firmly in place
- **Increased options:** With multiple width and length options, there is a HyFlex™ 11-281 sleeve to fit almost every worker
- **Food handling compliance:** HyFlex™ 11-281 protective sleeves also comply with FDA regulations 21 CFR 177.1520 and 21 CFR 177.2600 for safe food handling
- **Certified harm-free:** They possess Oeko-Tex™ certification, indicating they are free of substances harmful to human health
- **Sustainable design:** HyFlex™ 11-281 sustainable sleeves are designed with 16% recycled content* reducing our carbon footprint by 40g CO2eq/piece**

*% is the minimum recycled content in final product
** vs standard nylon sleeve
