EDGE™

48-128

For light applications requiring a good level of abrasion resistance & grip

Multi Purpose | Oil | LD Light Duty

Multipurpose, abrasion-resistant, nitrile-coated safety gloves offering oil resistance

- **Heightened dexterity:** These flexible high-dexterity work gloves feature a lightweight, seamless knitted dark grey polyester liner and elasticized knitwrist dipped into black straight nitrile coating
- **Optimized durability:** Thanks to their black nitrile coating, EDGE™ 48-128 protective gloves grant better abrasion and oil resistance, grip and cushioning than light and mediumweight knitted cotton gloves
- **Improved features:** EDGE™ 48-128 industrial gloves come in a dark color that shows dirt contamination less quickly and are the practical choice for light applications where oil is present
- **Food handling compliance:** Made with FDA-compliant materials, these food gloves are safe for food packaging

Industries

- Automotive

Applications

- Assembly of small parts
- General handling
- Packaging
- Quality control

EDGE™

48-128

For light applications requiring a good level of abrasion resistance & grip

Key Features

- **Seamless design:** For lightweight, flexible and dexterous work gloves
