

5 Point Safety Charter

1. Every manager shall have minimization of hazards and the prevention of any injury as a core responsibility and performance objective.
2. Every manager to have undertaken appropriate training in managing safety.
3. Every site to operate ongoing safety awareness, promotion and recognition programs.
4. All managers, to supervisor level, to conduct safety inspections at least monthly.
5. Every LTI shall be advised personally and immediately to the CEO by the site manager, including what, why and actions to prevent.

About Ansell

Ansell Limited is a global leader in barrier protective products. With operations in the Americas, Europe and Asia, Ansell employs more than 11,000 people worldwide and holds leading positions in the natural latex and synthetic polymer glove and condom markets. Ansell operates in three main business segments: Occupational Healthcare, supplying hand protection to the industrial market; Professional Healthcare, supplying surgical and examination gloves to healthcare professionals; and Consumer Healthcare, supplying condoms and consumer hand protection. Information on Ansell and its products can be found at <http://www.ansell.com>
