

A close-up photograph of a person's hands wearing white Ansell work gloves, working on a blue car engine. The person is wearing a red shirt. The background is blurred, showing a workshop environment. The Ansell logo is in the top left corner.

# Ansell

# POWERED TO PROTECT

## GENERAL REPAIR

Protect the tools that you use every day, your hands. Ansell's line of **disposable gloves** makes it easy to protect technicians from hazardous chemicals while working with substances like oil, coolant and other fluids in the shop. Ansell also has many premium **mechanics gloves** that offer exceptional protection from cuts, abrasions and impacts while working with tools and machines. Choose the best protective gear for better grip, enhanced dexterity and comfort. With the right Ansell products, you'll be Powered to Protect your hands for the jobs that you do all day.
