POWERED TO PROTECT

FLUID CHANGE

Model is wearing Microflex® Mega Texture

Protect the tools that you use every day, your hands. Working with various fluids in a shop comes with potential hazards. Burns from hot oil and coolant happen too often. Prolonged exposure to chemicals is hazardous to your health. With the right Ansell products, you'll be Powered to Protect your hands from fluids, for the jobs that you do all day.

MICROFLEX® Mega Texture 93-283

Raised Grip Disposable Nitrile Glove
