

Ansell

POWERED TO PROTECT

PAINTING

Protect the tools that you use every day, your hands and body. Painting has many chemical hazards including potential exposure to lead, solvents and other toxic chemicals. With the right Ansell products, you'll be Powered to Protect your hands and body for the jobs that you do all day.

MICROFLEX® 93-260/Chem3

The thinnest chemical resistant disposable glove

- Stands up to lacquer thinner 5x longer versus competitors
- Lasts up to 3x longer in acetone compared to competitive gloves
