

# OPTIMUM PROTECTION ACROSS ALL INDUSTRIAL SECTORS AND AROUND THE GLOBE

Ansell has been protecting people for over 125 years. We have created specialised teams to focus on the personal protection needs of workers in many industries. Our employees are dedicated to developing solutions that are based on the hazardous conditions that workers face on the job every day.

**Ansell is dedicated to worker safety:** we provide a comprehensive range of gloves and clothing to meet all worker and product protection requirements.

## INDUSTRIAL

Hand protection solutions for an extensive variety of tasks and industrial applications across all major industrial sectors, including protection against mechanical and chemical risks.

**MANUFACTURING FACILITIES:** Sri Lanka, Portugal, Vietnam, Malaysia, Thailand, China, Lithuania, and Brazil

**KEY TECHNOLOGIES:** FORTIX™, INTERCEPT™, RIPEL™, ANSELL GRIP™, AQUADRI™, ZONZ™, ERGOFORM™, MICROCHEM™

## SINGLE USE

Premium disposable hand protection solutions for a variety of personal and product protection tasks in industries such as Life Sciences, Electronics, Food, and Automotive Aftermarket.

**MANUFACTURING FACILITIES:** Sri Lanka, Thailand, and Malaysia

**KEY TECHNOLOGIES:** ERGOFORM™, TNT™

## BODY PROTECTION

Body protection solutions for people working in dirty or hazardous environments. The large range of suits responds to all 6 “types” of chemical protective clothing developed by the EU.

**MANUFACTURING FACILITIES:** China

**KEY TECHNOLOGIES:** MICROCHEM™, RIPEL™

## ETHICAL AND STABLE SUPPLY PARTNER

Environmental – consistent electrical, thermal and water reductions. ISO 14001 certification and waste management. Global CO<sub>2</sub> emission reduction plan.

Stability – Ansell has a full disaster recovery plan to provide consistent supply of manufactured and outsourced products.

Societal – Ansell has a well-established corporate donations program supporting many disaster relief efforts.

## INDUSTRY EXPERTISE

Ansell GUARDIAN® is our global consulting service helping companies to select the right Personal Protection Equipment solution to improve their safety, productivity and cost performance while offering a safer work environment.

It includes Ansell Chemical GUARDIAN which offers a personalized glove assessment with expected permeation times to enhance chemical protection, performance and compliance.

## REGULATORY EXPERTISE

As a leading member of the EN388 and EN374 working committees for over 20 years, Ansell is the ideal partner to offer training and expertise on regulatory changes.
