STRATEGY

1. Adjusted to exclude transformation costs
2. Constant Currency compares F'19 to F'18 results restated at F'19 average FX rates & excludes the value of FX gains or losses in both periods
3. Cash conversion calculated as net receipts plus transformation cash costs divided by EBITDA excluding transformation

Ansell's sources of competitive advantage can be summarized under eight dimensions of differentiation. At Ansell, we believe that our differentiation across all eight dimensions is unique in our industry and sets us apart from all competitors. We have continued to build upon and strengthen our eight dimensions of differentiation.

SHAREHOLDER VALUE CREATION MODEL

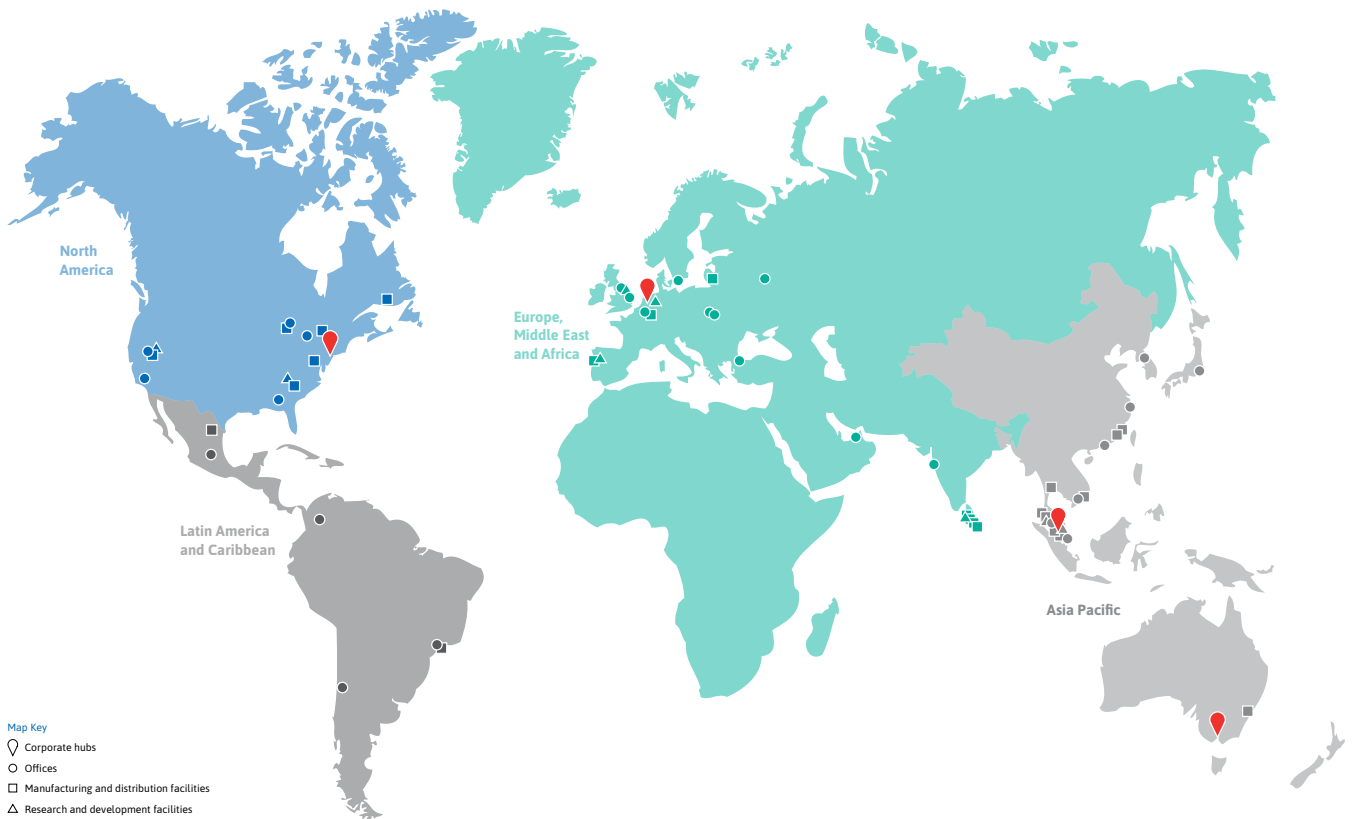

1. Excluding impact of the Transformation Program and phasing the impact of recent acquisition costs in the funds employed over a three year period.
