ANSELL COLLABORATES WITH ONEMED TO EXPAND DISTRIBUTION NETWORK IN THE NORDICS

August 26, 2020 - Ansell Healthcare Products LLC, a global leader in hand protection solutions has signed a distribution partnership with OneMed; a provider of medical supplies and support systems which has an existing distribution network in the Nordics. The new distribution partnership between Ansell and OneMed which will come into effect on September 1st 2020, covers Sweden, Denmark, Norway and Finland.

This collaboration will include Ansell's surgical and disposable examination gloves range with trusted brands like GAMMEX®, ENCORE®, MICRO-TOUCH®, and MICROFLEX®.

This partnership is Ansell's latest endeavour to mitigate distribution interruptions across the region caused by the surge in demand led by COVID-19. Both Ansell and OneMed share common corporate values that have a strong focus on CSR compliance.

In a letter to Ansell's partners, Rikard Froberg, Chief Commercial Officer for EMEA & APAC, has been quoted as saying, "The focus is to make this distribution (network) as seamless as possible for all current and new customers and supply continuity is paramount throughout this process. We hope you share our enthusiasm about this partnership as we strongly believe that combining the innovative hand protection portfolios of Ansell and OneMed alongside best in class manufacturing, customer service representatives and logistics will strengthen the combined hand protection category in the Nordic market."
