**ANSELL AWARDED ROOM TURNOVER PRODUCTS AGREEMENT
WITH PREMIER'S ASCENDRIVE™ PROGRAM**

1 July 2022 – ISELIN, NJ, Ansell has been awarded a group purchasing agreement for Room Turnover Products with Premier, Inc.'s AscenDrive™ program. Effective July 1, 2022, the new agreement allows Premier AscenDrive members to take advantage of special pricing and terms pre-negotiated by Premier for a wide variety of room turnover products and turnover packs.

"Ansell offers clinically differentiated products and services, including the AnsellAdvisOR™ room turnover improvement program, to support Premier AscenDrive members with their operating room safety initiatives, especially improving room turnover efficiency, reducing the risk of cross-contamination, and improving patient outcomes" said Denise Fielder, Associate Director of GPO Partnerships, Ansell.

Ansell provides a comprehensive portfolio of room turnover products including patented STAT-BLOC™ disposable linens with AMT™ Antimicrobial Technology which provide complete protection against bacterial migration and are at least 99% effective against MRSA, E. coli, CRE and COVID-19.* Other products available individually or as part of standard or custom turnover packs include patient positioning straps, draw sheets, mop heads, wagon covers and more.

Premier is a leading healthcare improvement company, uniting an alliance of more than 4,400 U.S. hospitals and 225,000 other providers and organizations to transform healthcare. With integrated data and analytics, collaboratives, supply chain solutions, and consulting and other services, Premier enables better care and outcomes at a lower cost.
