ANSELL AWARDED THE SURGICAL GLOVES AGREEMENT WITH PREMIER

ISELIN, NJ – MARCH 3, 2025 – Ansell has been awarded a national group purchasing agreement in the Surgeons Gloves category with Premier, Inc. Effective May 1, 2025, the new agreement allows Premier members, at their discretion, to take advantage of special pricing and terms pre-negotiated by Premier for Ansell's Surgeons Gloves portfolio.

"We are honored to be a supplier in this category and eager to continue to build our relationship with Premier and its members. Ansell's surgical glove portfolio, field, and clinical support teams are committed to supporting our customers to ensure critical metrics are met, including safety, infection control, and patient outcomes in each facility," said Denise Fielder, Associate Director of GPO Partnerships, Ansell. "Our global presence ensures we're able to meet the ever-growing demand for high quality surgical gloves, with a focus on bridging safety, compliance, satisfaction rates and total value."

Ansell has been empowering the world with unique protection solutions for over 130 years. Our specialized teams focus on the personal protection needs of stakeholders across various industries, including industrial, life sciences, and healthcare. Ansell strives to empower the protection of healthcare workers and patients, enhancing safety across the healthcare landscape.

Ansell uniquely innovates through the development and delivery of a comprehensive portfolio of safety solutions, featuring our proprietary Worker Experience Innovation (WEI) Technologies. These stand at the cutting edge of safety innovations, designed with a deep understanding of workers' needs. By spending time side-by-side with workers across a range of industries, we gain valuable insights into their day-to-day experiences and challenges. We then transform these insights into new WEI technologies and product ideas, continuously improving the safety and effectiveness of our solutions. Trusted globally, our innovative exam glove portfolio are engineered with Ansell WEI technologies and subject to rigorous quality testing to meet evolving needs of the surgical community.

As a market-leading innovator in high-quality personal protective solutions, Ansell is committed to ensuring the safety of surgeons, healthcare providers, and patients alike. Our dedication to protection extends beyond products—Ansell is passionate about safeguarding people and the environment. We have set ambitious goals to transform our company and protect the sustainability of both our employees and the planet. Ansell is committed to environmental sustainability through Ansell Earth, a framework built on five lifecycle pillars: materials, manufacturing, packaging, use, and end of use. This initiative helps our customers make informed portfolio decisions while achieving their sustainability goals.

Premier is a leading technology-driven healthcare improvement company, providing solutions to two-thirds of all healthcare providers in the U.S. Playing a critical role in the rapidly evolving healthcare industry, Premier unites providers, suppliers, payers and policymakers to make healthcare better with national scale, smarter with actionable intelligence and faster with novel technologies. With integrated data and analytics, collaboratives, supply chain solutions, consulting and other services, Premier enables better care and outcomes at a lower cost.
