Ansell is fully committed to its obligations as per European Regulation 1907/2006 and its amendments, concerning the Registration, Evaluation, Authorisation and Restrictions of Chemicals.

Ansell products comply to the requirements of Annex XVII (amended by Commission Regulations 190/2012, 494/2011, 366/2011, 207/2011, 276/1010 & 552/2009) related to the 'restriction on the manufacture, placing on the market and use of certain dangerous substances, preparations and articles' and they also do not contain any ingredients which are 'subject to authorisation' as per Annex XIV (amended by Commission regulations 125/2012 & 143/2011).

With respect to the Candidate list with "Substances of very high concern (SVHC) for Authorization", published by the European Chemicals Agency (ECHA) and last amended on January 15th. 2018; and as required by Article 33 of the REACH Regulation, we confirm that our articles supplied to the EU-EMEA markets currently do not contain SVHC substances in excess of 0.1 % weight by weight with exception of the products listed in Appendix A that all contain DEHP (diethyl hexyl phthalate).
