

Ansell is fully committed to its obligations as per European Regulation 1907/2006 and its amendments, concerning the Registration, Evaluation, Authorization and Restrictions of Chemicals.

Ansell products comply to the requirements of Annex XVII (including relevant amendments) related to the 'restriction on the manufacture, placing on the market and use of certain dangerous substances, preparations and articles'.

With respect to the Candidate list with "Substances of very high concern (SVHC) for Authorization", published by the European Chemicals Agency (ECHA) and last amended on July 16th, 2019; and as required by Article 33 of the REACH Regulation, we confirm that our articles supplied to the EU-EMEA markets currently do not contain SVHC substances in excess of 0.1 % weight by weight with exception of the products listed in Appendix A which produced before Nov 1st, 2018 are containing DEHP (Diethyl Hexyl Phthalate).

With improvement made at Supplier and Ansell Xiamen Limited & Ansell Microgard Xiamen Limited, all products listed in Appendix A which produced from Nov 1st, 2018 onwards are free of DEHP (Diethyl Hexyl Phthalate).

Aida Zigmantaviciene
Vice President, Quality Assurance, Industrial GBU
Ansell Healthcare

Appendix A: List of products containing DEHP (Diethyl Hexyl Phthalate) --- within PVC Sole Material

Plant: Ansell Xiamen Limited & Ansell Microgard Xiamen Limited
