

# Housekeeping Gloves

GENERAL PURPOSE

**Latex, powder-free, non-sterile and re-usable general purpose glove with extended cuff protection and a comfortable lining for deep cleaning and sanitization.**

## KEY FEATURES & BENEFITS

- Excellent tear resistance to withstand the rigors of routine cleaning
- 330 mm long cuff for added protection especially when handling harsh chemicals and cleaning materials
- Soft-flock internal lining for greater comfort during long periods of wear and easy donning
- Embossed, 'textured' external surface is non-slip and provides secure grip for confident handling
- Left and right hand specific design for a better fit

*CAUTION: Safe use of these gloves by latex-sensitized individuals has not been established. This product contains natural rubber latex, which may cause allergic reactions.*

## RECOMMENDED FOR

- General purpose cleaning
- Handling chemicals and cleaning materials
