

Cold

Heavy Duty

## Nitrile-impregnated heavy-duty work gloves, featuring a jersey liner for enhanced comfort

- **Advanced protection:** ActivArm® 52-590 nitrile-impregnated industrial gloves ensure oil and grease repellency, as well as abrasion resistance and moderate cut protection, for truly solid, durable hand protection
- **Elevated comfort:** Designed with a soft jersey cotton liner, they also offer enhanced flexibility and comfort, absorbing perspiration and keeping hands dry
- **Improved grip:** Compared with light leather or PVC-coated alternatives, these nitrile-coated gloves also deliver strong grip performance, for secure handling

### Industries

- Automotive
- Mining

### Applications

- Assembling and mounting components
- Final assembly
- Press injection molding
- Operating of heavy machinery

Previously known as: Hyd-Tuf™

### Key Features

- **High-performance nitrile coating:** Oil repellency and cut resistance
- **Advanced nitrile formulation:** Superior abrasion resistance
- **Soft jersey cotton liner:** For work gloves offering flexibility and comfort

### Performance Standards & Regulatory Compliance
