

## 3000 Cape Hood with Visor - Model 515

Durable, comfortable multi-layer chemical barrier

Previously known as: MICROCHEM 3000 - Cape Hood with Visor - Model 515

**Durable material providing an effective barrier against a range of inorganic chemicals and biological agents..**

- **Optimized defenses:** AlphaTec® 3000 Cape Hood with Visor Welded and Taped – Model 515 is designed with a protective multi-layer barrier fabric, which is extremely effective against a range of harmful inorganic chemicals and biological hazards
- **Increased visibility:** With their highly visible bright yellow color, these chemical protective garments reinforce the safety of workers
- **Lightweight feel and heightened durability:** Lightweight and durable, this protective overgarment ensures sustained comfort and durable coverage for its wearers
- **Reduced contamination risks:** As it is low linting, this protective garment minimizes the risk of product contamination

## Industries

- Chemical
- Mining
- Energy
- Life Sciences
- Food Processing
- Automotive
- Aftermarket
- Utilities

## Applications

- Unexpected leakages, spills or other releases
- Loading and unloading trucks and vehicles
- Product inspection
- Cleaning of plant and machines
- Transferring liquids and solids between vessels and tanks and process equipment
