AlphaTec™

58-270

Chemical glove with confident grip and high flexibility

Chemical-resistant gloves offering superior grip and advanced dexterity

- **Specialized protection:** AlphaTec™ 58-270 safety gloves possess a thin nitrile shell, which enables EN 374 Type A chemical protection with breathable comfort
- **Reinforced grip:** ANSELL GRIP™ coating ensures class-leading grip, for more secure handling
- **Enhanced features:** AlphaTec™ 58-270 industrial gloves' special safety cuffs make them easy to don and remove, facilitating daily use
- **Augmented dexterity:** Their seamless 15-gauge design helps reduce strain and augment dexterity
- **Elevated comfort:** In addition, their nylon liner retains less heat, reducing perspiration and ensuring greater comfort
- **Improved durability:** These AlphaTec™ gloves are hard-wearing, with ANSI/ISEA 105-2024 ABRASION LEVEL 4 and EN ABRASION LEVEL 3

Industries

- Automotive
- Agriculture
- Automotive Aftermarket
