

Previously known as: Oceanic®48-913

Oil

Medium Duty

## Medium-duty, nitrile-coated safety gloves, providing abrasion, oil and liquid resistance

- **Increased defenses:** These economical yet high-quality industrial gloves offer good resistance to abrasive materials and are lighter and more flexible than Hycron® 27-607 nitrile-coated gloves
- **Heightened protection:** Owing to their nitrile coating, EDGE® 48-913 protective gloves are hardy and deliver long-lasting performance and defend against hazardous oils and liquids, making them ideal for medium-duty applications
- **Elevated comfort:** Made of cotton liner, these nitrile-coated knit gloves offer breathable comfort and greater flexibility
- **Food handling compliance:** Composed of FDA-approved materials, these hand protection gloves are safe for food contact and packaging

### Industries

- Automotive
- Machinery and Equipment
- Metal fabrication
- Recycling and Waste Disposal

### Applications

- Cold plastic moldings
- Heavy-duty cables
- Rough casting and cores
- Steel bars, sheet metals, cans and other metal products
- Street cleaning and refuse collection

Previously known as: Oceanic®48-913

### Key Features

- **Mechanical performance:** Good level of protection against abrasions
- **Nitrile coating:** Durable work gloves, guarding against oils and liquids
- **Cotton liner:** For lightweight, flexible and comfortable work gloves

### Performance Standards & Regulatory Compliance

EN388: 2016

3111B
