

Previously known as: Sensilite

Multi Purpose

Light Duty

## Breathable light-duty multipurpose gloves, designed for tactile precision handling

- **Heightened tactility:** HyFlex® 48-105 light-duty industrial gloves feature polyurethane coating specifically around the fingertips, ensuring ideal tactility for handling small objects in dry environments
- **Elevated comfort:** With a nylon liner everywhere but the fingertips, these multipurpose gloves remain particularly breathable and comfortable, namely around the palm

### Industries

- Automotive
- Automotive Aftermarket
- Electronics
- Machinery and Equipment
- Warehousing
- Logistics
- Transportation

### Applications

- Assembling and mounting components
- Light assembly tasks

Previously known as: Sensilite

### Key Features

- **Polyurethane fingertip coating:** Tactility for small object handling
- **Nylon liner:** Breathable comfort, for genuinely easy everyday use

### Performance Standards & Regulatory Compliance

EN388: 2016

003XA
