ACTIVARMR®
PERSONAL PROTECTIVE GEAR

97-012

General purpose increased visibility glove

Multi Purpose | LD Light Duty

Increased visibility multipurpose gloves, ensuring hand protection in dark environments

- **Heightened protection:** Thanks to their extra visibility palm and back-of-hand, ActivArmr® 97-012 industrial gloves improve worker safety in low-light conditions, protecting hands while ensuring a firm grip on wet and dry surfaces
- **Improved comfort:** These nitrile-coated work gloves feature a 15-gauge liner that guarantees comfortable all-day wear, keeping hands dry and affording ample dexterity for handling smaller items
- **Advanced ergonomics:** ActivArmr® 97-012 protective gloves are naturally curved, resulting in a relaxed fit and reduced tension
- **Reduced surface defect risks:** Silicone-free, these work gloves prevent potential surface defects while ensuring a high-quality finish

Industries

- Mining
- Chemical
