AlphaTec®
ADVANCED CHEMICAL PROTECTION

04-003

Medium weight PVC supported glove with fleece liner

Seamless PVC gloves with a comfort-boosting fleece effect, guarding against various chemicals and oils

- **Specialized protection:** AlphaTec® 04-003 safety gloves feature a unique, flexible nitrile and PVC formulation, protection wearers from oils, grease and numerous chemical hazards
- **Added comfort:** Thanks to their seamless knitted design and fleece effect, as well as an ergonomic hand shape, these AlphaTec® gloves combine comfort with superb fit and feel
- **Enhanced features:** A special rough finish also grants wearers a secure, confident grip over wet or oily objects, while these protective gloves' 35cm/14" length enhances wearer safety further
- **Food handling compliance:** Compliant with relevant EU and FDA food safety requirements and remaining flexible even at low temperatures, these durable work gloves also make for excellent food safety gloves
