

Previously known as: Metalist® 28-507

Cut

Medium Duty

Durable medium-duty work gloves, granting wearers cut protection, grip and dexterity

- **Advanced defenses:** ActivArm® 28-507 industrial gloves feature a two-piece liner with DuPont™ Kevlar® in high stress areas, protecting hands from cuts and sharp edges
- **Enhanced performance:** These durable work gloves' nitrile safety cuff complements their flexible nitrile coating, combining cut protection, abrasion resistance, grip performance, and added forearm and wrist protection
- **Advanced durability:** Their sturdy nitrile coating also makes these safety gloves highly durable, satisfying in ANSI and EN level 4 abrasion resistance standards
- **Improved ergonomics:** Their ergonomic design and form-fitting nature means these hand protection gloves ensure all-day comfort, improved dexterity and reduced strain with repeated use

Industries

- Automotive
- Machinery and Equipment

Applications

- Press shop operations
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Seizing structural and body parts
- Inspection (picking, checking and marking)
- Feeding the press and removing spare parts from it

Previously known as: Metalist® 28-507

Key Features

- **DuPont™ Kevlar® two-piece liner:** Cut resistance in stress-prone areas
- **Extended safety cuff:** Additional forearm and wrist protection
- **Robust nitrile coating:** For highly abrasion-resistant safety gloves
