

28-507

Outstanding Mechanical Protection

Previously known as: Metalist® 28-507

Cut

Medium Duty

Durable medium-duty work gloves, granting wearers cut protection, grip and dexterity

- Advanced defenses: ActivArmr[®] 28-507 industrial gloves feature a two-piece liner with DuPont™ Kevlar[®] in high stress areas, protecting hands from cuts and sharp edges
- Enhanced performance: These durable work gloves' nitrile safety cuff complements their flexible nitrile coating, combining cut protection, abrasion resistance, grip performance, and added forearm and wrist protection
- Advanced durability: Their sturdy nitrile coating also makes these safety gloves highly durable, satisfying in ANSI and EN level 4 abrasion resistance standards
- Improved ergonomics: Their ergonomic design and form-fitting nature means these hand protection gloves ensure all-day comfort, improved dexterity and reduced strain with repeated use

Industries

- Automotive
- Machinery and Equipment

Applications

- Press shop operations
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Seizing structural and body parts
- Inspection (picking, checking and marking)
- Feeding the press and removing spare parts from it

28-507 **Outstanding Mechanical Protection**

Technologies

Previously known as: Metalist® 28-507

Kevlar

Key Features

- **DuPont™ Kevlar® two-piece liner:** Cut resistance in stress-prone
- Extended safety cuff: Additional forearm and wrist protection
- Robust nitrile coating: For highly abrasion-resistant safety gloves

Performance Standards & Regulatory Compliance
