ACTIVARMR™

# 52-547

**Offers superior resistance to abrasion and good protection against snags, cuts and puncture.**

Previously known as: Hyd-Tuf™52-547

Multi Purpose | Medium Duty

## Jersey-lined work gloves with a nitrile coating, for hard-wearing protection and comfort

- **Added protection:** Durable by nature, ActivArmr™ 52-547 work gloves offer abrasion, puncture and cut resistance, while also repelling grease, oil and dirt
- **Enhanced grip:** ActivArmr™ 52-547 abrasion-resistant gloves also offer excellent grip performance in dry conditions, for quick and easy handling
- **Increased comfort:** Their jersey liner ensures they are snug protective gloves, cushioning the hands and absorbing perspiration to keep them dry and comfortable

### Industries

- Automotive
- Metal fabrication

### Applications

- Handling metal sheets & panels
- Assembly & inspection of components
- Press injection molding
- Chassis assembly, body trimming
- Handling materials with sharp or rough edges
- Adjusting panels parts components
