

78-101Knitted Thermal Gloves

Previously known as: Therm-A-Knit®78-101

Knitted thermal safety gloves designed for comfort and cold protection

- Improved insulation: These thermal work gloves feature special hollow-core fibers that provide an excellent thermal insulation barrier between the skin and surrounding environment
- Added comfort: ActivArmr® 78-101 cold weather gloves' automatic knit technology enable longer and more comfortable wear
- Enhanced skin-friendliness: These light-duty industrial gloves come in a seamless design that reduces friction and avoids skin discomfort and irritation
- Genuine versatility: For increased convenience, ActivArmr® 78-101 cold weather work gloves are ambidextrous, fitting either hand
- Maximized value: Machine washable at a maximum temperature of 40°C, they are more hygienic and economical, and they make good food-handling gloves

Industries

- Automotive
- Food Processing

Applications

- Production line support & maintenance
- Storing packed meats
- Storing bottles and cans
- Storing of raw materials
