

Cold

Medium Duty

Cold weather work gloves offering reliable grip, abrasion and cold protection

- **Heightened defenses:** Tested to perform at -4°F/-20°C, ActivArm[™]97-011 cold weather gloves' two-ply acrylic brushed liner ensures effective hand protection against the elements, as well as oil and abrasion
- **Optimized comfort and dexterity:** These breathable work gloves are also great for maintaining all-day comfort, delivering heightened dexterity and limiting hand fatigue, and are ideal for prolonged use
- **Tightened grip:** ActivArm[™] 97-011 industrial gloves feature a double-dipped sandy nitrile coating, which ensures a secure hold not only in the coldest weather, but also in wet and oily conditions, protecting hands by keeping them warm and dry
- **Enhanced features:** These hand protection gloves are characterized by their contrasting black coating and orange liner combination, which guarantees better visibility and safety in high-risk, low-light situations
