

**87-198** Lightweight natural rubber glove with flocked lining

Previously known as: VersaTouch<sup>®</sup> 87-198

## Light-duty rubber protective gloves, combining tensile strength, sensitivity and water repellence

- Assured protection: AlphaTec<sup>®</sup> 87-198 work gloves are made from natural latex rubber, which combines tensile strength and tactile sensitivity, for moderate mechanical and chemical protection with added dexterity
- Elevated comfort: These light-duty durable work gloves also feature 100% cotton flock lining, minimizing sweat buildup and related discomfort
- Enhanced features: In addition, these AlphaTec<sup>®</sup> gloves undergo a special wax treatment, enhancing their water repellence capabilities
- Food handling compliance: Satisfying relevant FDA food handling requirements (21 CFR 177.2600), they make for ideal food safety gloves, suitable for most food processing applications

#### Industries

- Food Processing
- Chemical
- Janitorial / Sanitation

#### Applications

- Poultry Processing
- All food processing applications that have food contact
- Chemical Handling
- Janitorial use

# **AlphaTec**<sup>®</sup> DVANCED CHEMICAL PROTECTION
