

Two-tone double-dipped work gloves, with a combination of neoprene and natural rubber

- **Specialized protection:** AlphaTec™ 87-224 industrial gloves are two-toned and double-dipped, blending neoprene and natural rubber to offer personal protection against various chemicals
- **Enhanced defenses:** Thanks to their mediumweight thickness of 0.68mm/27 mil, they also provide a robust barrier against mechanical hazards
- **Elevated comfort:** Designed with 100% cotton flock lining, these sturdy work gloves absorb wearers' sweat, for greater comfort with sustained use
- **Strengthened grip:** These AlphaTec™ safety gloves also feature a honeycomb pattern finish, boosting grip on wet and dry surfaces
