HyFlex®

ADVANCED MECHANICAL PROTECTION

11-250

The most comfortable sleeve with Intercept technology

Cut

Black arm protection sleeves that combine cut protection with unrivaled comfort

- **Heightened defenses:** HyFlex® 11-250 arm protection sleeves' INTERCEPT™ Cut Resistance Technology delivers ANSI A3 and EN ISO B cut protection
- **Elevated comfort:** Their seamless HPPE yarn offers users a cool, breathable feel, while their bicep cuff keeps them securely in place
- **Reduced contaminant risks:** The risk of contaminant transfer to metal before painting is reduced, as they are silicone-free
- **Added practicality:** The HyFlex® 11-250's over-edges come in red, black or light blue, for narrow, wide or extra-wide
- **Food handling compliance:** HyFlex® 11-250 sleeves comply with FDA food handling regulations 21 CFR 177.1520 and 21 CFR 177.2600
- **Certified harm-free:** Oeko-Tex® certification indicates they are free of substances harmful to human health

Industries

- Automotive
- Automotive Aftermarket
- Machinery and Equipment
- Metal fabrication

Applications

- Press shop operations
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Handling structural and body components
- Inspection, selecting, checking parts
- Glass repair and replacement
- Seizing structural and body parts
- Body Surface checking, marking and touching up
- Adjusting systems and screwing
- Adjusting panels parts components
