

HyFlex™

11-270

Economical Light Duty Cut Resistant Sleeve

Cut

Light Duty

Silicone-free ambidextrous protective sleeves, made with comfortable, dual-layered nylon

- **Genuine versatility:** HyFlex™ 11-270 protective arm sleeves may be worn on either arm interchangeably and come in various length options, for added practicality
- **Improved durability:** Their dirt-masking dark color scheme extends wear life, making them particularly suitable for certain applications
- **Reduced surface defect risks:** These arm protection sleeves are also silicone-free by design, making them suitable for spray-painting applications
- **Food handling compliance:** Compliant with FDA food handling regulation 21 CFR 177.2600, HyFlex™ 11-270 protective sleeves are also ideal for food processing

Industries

- Automotive
- Machinery and Equipment

Applications

- Touching up
- Picking parts and accessories
- Inspection, selecting, checking parts
- Equipment repair & maintenance
- Delivery of finished equipment
- Assembly & inspection of components

HyFlex™
