

Multi Purpose

Light Duty

The cost effective solution for durable multi-purpose gloves, combining mechanical performance with good grip performance both in dry and wet environments

- The EDGE 48-882 glove is made of a seamless 10 gauge polycotton liner, with elasticized knit wrist that delivers a comfortable fit and dexterity
- Dipped into natural latex coating with crinkle finish, ensuring good wet and dry grip for automotive, machinery & equipment, transportation, construction and warehousing applications
- Whole thumb is coated to lower the external risk to thumb and the part between thumb and index finger

Industries

- Automotive
- Energy
- Machinery and Equipment
- Transportation
- Construction
- Warehousing

Applications

- General handling
- Packaging
- Shipping
- Loading and unloading material or worked parts

Key Features

- Good comfort and flexibility
- Natural latex rubber design ensure good tear and abrasion performance
- Crinkle finish coating make gloves good grip in both dry and wet environments

Performance Standards & Regulatory Compliance
