

EDGE™

48-884

Light Duty Multi-purpose Industrial Glove

Multi Purpose

Light Duty

The cost effective solution for light weight applications combining comfort, dexterity with ESD compatibility.

- The EDGE™ 48-884 glove is made of a seamless 13 gauge polyester & carbon fiber liner, with polyurethane fingertip coating
- Electrostatic discharge product protection due to presence of carbon fiber
- ESD certified according to EN16350 : 2014
- The coated fingertip also prevents the transfer of perspiration to the electronic part

Industries

- Automotive
- Electronics
- Machinery and Equipment

Applications

- Handling the compact disks
- Assembly of dashboard cables and wires
- Assembly and repair work in electronics and telecommunications
- Assembly of electronic components and mother boards

EDGE™
