

Cut

Medium Duty

The cost effective solution for medium weight applications requiring high level of cut resistance with high comfort and dexterity

- The gloves are made with a seamless liner as well as a knitted wrist to offer close fit in cut-resistant applications.
- EN ISO13997 rated level D provide a high level of cut resistance
- Elastic knitwrist ensures snug fit.

Industries

- Automotive
- Metal fabrication
- Machinery and Equipment

Applications

- Slicing, cutting and shopping
- Assembly and finishing
- Machine tool operation
- Sheet metals and metalwork

Key Features

- The seamless construction avoids irritation.
- Para-aramid yarn ensures high level of cut resistance and good level of heat contact performance.
- Elastic knitwrist ensures snug fit.

Performance Standards & Regulatory Compliance
