

R-133

Tactile and secure cuff automotive glove.

Touchscreen-compatible synthetic leather safety gloves, combining grip and durability

- Enhanced features: RINGERS® R133 automotive gloves feature a hook and loop TPR pull tab closure, for a more secure fit around the wrist, while touchscreen-compatible thumb tips, index and middle fingers make for everyday practicality
- Increased comfort and flexibility: Soft, yet durable, mesh fabric at the top of the hand and lightweight material between the fingers ensure dexterous comfort and flexibility
- Improved grip and durability: RINGERS® R133 safety gloves' premium synthetic leather split-palm construction and wraparound index finger design enhance their grip performance and durability
