

## R-313

Extrication impact glove with rugged grip on a padded palm.

Impact

Light Duty

## Durable extrication gloves, featuring a rugged grip system designed for search and rescue

- **Specialized protection:** RINGERS® R313 extrication gloves are developed with a patented TPR (thermoplastic rubber) design and F3 Technology™, for an ideal balance of dexterity, comfort and impact protection
- **Enhanced grip:** With a special grip system around the palm and fingers, these safety gloves deliver strong, long-lasting grip
- **Added defenses:** Designed specifically for search and rescue operations, these RINGERS® gloves boast Kevlar® palm stitching, granting them moderate cut resistance
- **Enhanced features:** Thanks to their extended cuff with gaiter closure, debris is kept out, while increased visibility material with reflective markings further enhances wearer safety
