

Previously known as: Versatouch®78-203

Cold

Light Duty

Thermal gloves that combine assured grip with lasting comfort

- **Specialized defenses:** ActivArm® 78-203 seamless-knit protective gloves are designed with a thermal acrylic and nylon liner, which provides warmth and comfort when working in food processing, refrigerated environments and service industries
- **Increased protection:** These work gloves feature a microdot-coated palm with enhanced abrasion resistance, improving hand protection and optimizing productivity
- **Guaranteed harm-free:** ActivArm® 78-203 safety gloves are ideal for handling items in cold storage and do not contain DMF, preventing potential adverse health effects

Industries

- Food Processing

Applications

- Outdoor Winter Use
- Cold Storage
- All food processing applications that have food contact
- Cutting up food

Previously known as: Versatouch®78-203

Key Features

- **Thermal acrylic and nylon liner:** For genuinely cold-resistant safety gloves
- **Microdot-coated palm:** Enhanced grip and abrasion resistance
- **DMF-free composition:** For harm-free everyday work gloves
