

EDGE™

48-126

Light Duty Multi-purpose Industrial Glove

Multi Purpose Abrasion Protection

Light Duty

Abrasion-resistant gloves, combining durable hand coverage with assured grip and tactility

- **Improved practicality:** These black work gloves conceal dirt and grime and are discarded less quickly, thereby providing a more cost-effective solution
- **Increased protection:** EDGE™ 48-126 protective gloves are composed of a seamless knitted liner and an elasticized knitwrist that are reinforced by black polyurethane coating, which offer better flexibility and dexterity than cotton canvas and thick cotton gloves
- **Enhanced comfort and dexterity:** EDGE™ 48-126 safety gloves are made of a 15-gauge polyester liner that meets workers' needs in terms of comfort and flexibility

Industries

- Automotive
- Electronics
- Energy
- Transportation
- Infrastructure Maintenance

Applications

- Assembly of small pieces
- General handling
- Packaging
- Quality inspection

EDGE™

48-126
