

HyFlex™

11725

Dexterity with superb cut resistance for optimal productivity

Cut

Medium Duty

Comfortable, dexterous medium-duty work gloves, offering users moderate cut resistance

- **Assured protection:** HyFlex™ 11-725 medium-duty industrial gloves feature INTERCEPT™ Cut Resistance Technology, ensuring wearers can handle sharp components with relative ease
- **Elevated comfort:** Thanks to their HPPE and Lycra™ liner, they boast heightened levels of comfort and flexibility, enabling workers to maintain productivity throughout the day
- **Enhanced grip:** These safety gloves' PU coating also increases dexterity, while affording users a more secure grip in both dry and slightly oily environments

Industries

- Aerospace
- Automotive
- Construction
- Glass manufacturing
- Maintenance

Applications

- Press injection molding
- Metalwork, glass processing
- Handling sharp or irregular metal pieces
- Assembling metal parts and components
- Assembly of white goods

HyFlex™
