

PX140

Comfort and protection for lightweight applications

Multi Purpose

Light Duty

Comfortable safety gloves granting superb dexterity for lightweight applications

- **Advanced defenses:** PX140 work gloves are made from tough polyurethane coating that provides exceptional personal protection against abrasion and deterioration
- **Enhanced features:** Designed for a comfortable fit, these abrasion-resistant, industrial gloves feature an elasticated knit wrist that ensures they are secure around the wrist
- **Elevated comfort:** These protective gloves are designed with a ventilated back design that ensures the hand can breathe naturally even during prolonged periods of wear

- Automotive
- Chassis assembly, body trimming

PX140

Comfort and protection for lightweight applications

- **Polyurethane coating:** Strong resistance to wear and tear
- **Elasticated knitwrist:** Ensures a snug fit
- **Ventilated back design:** Improved breathability
