

## Electrical Insulating Gloves Class 00 -RIG0014B

Comfortable electrical protection gloves, combining safety, durability and flexibility

Previously known as: E015B

# Durable, form-fitting electrical safety gloves, assuredly protecting wearers\*

- Improved durability and flexibility:
   ActivArmr® Electrical Insulating Gloves Class 00 RIG0014B are made of durable, flexible latex, using an eco-conscious dipping process
- Advanced ergonomics: These insulated gloves' hand-at-rest design and non-splayed fingers limit hand fatigue
- Elevated comfort: Their spacious flared cuff enhances ventilation and makes room for clothing
- Increased practicality: These electrical protection gloves' smooth, case-hardened finish makes for easy donning and doffing
- Specialized defenses: They are arc flash certified (APC 1 in combination with 96-002 leather protectors) and tolerate a touch voltage maximum of AC 500 V (DC 750 V)
- Certified protection: These electrical insulated gloves meet relevant CSA, NFPA and OSHA standards, as well as EN standards for acid, ozone and low temperature resistance\*
   \*Category A, Z and C respectively

#### Industries

- Automotive
- Electrical
- Construction
- Mining
- Machinery and Equipment

### **Applications**

- Applications with risk of touch voltage
- Electrical Contractors
- Hybrid engine manufacturing and repair
- Maintenance Repairs and Operations in all industrial environments (MRO)
- Mass Transit Repair and Maintenance
- Power maintenance, repair & transmission
- Telecom repair near electrical wires

## **Electrical Insulating** Gloves Class 00 -**RIG0014B**

Comfortable electrical protection gloves, combining safety, durability and flexibility

Previously known as: E015B

#### **Key Features**

- Natural rubber latex formulation: Assured flexibility and durability
- Ergonomic design: Better dexterity, less hand fatigue
- **Generous flared cuff:** Enhanced room for clothing and ventilation \*Arc flash certified as per IEC 614821-2:2014 and ASTM F2675:2021 standards

### **Performance Standards & Regulatory Compliance**
