

66-310 Model 111

Basic re-usable splash protective coverall for protection against chemical spray

Previously known as: TRELLCHEM® Splash 600

Basic and reusable, splash safety coverall, granting protection against chemical spray.

- **Everyday usability and convenience:** AlphaTec® 66-310 Model 111 chemical protective coveralls offer versatility as well as reusability, and feature open legs with elastic
- **Optimized defenses and comfort:** This soft and flexible protective outer garment also affords anti-static protection
- **Added protection:** As this full-body protection suit is resistant to chemical and biological hazards, they guard against alkalis, acids and infective agents
- **Increased visibility:** For higher visibility, these reusable chemical-resistant coveralls are produced in fluorescent yellow, ensuring improved workplace safety
- **Certified performance:** This hazard protection suit is certified to EN 14605:2005, Type 4 (spray-tight) standards
